☒ Other

Railroads Involved:

EJ & E and CN

Location of Problem:

New Lenox, IL

Name of Industry at Location:

Serving Rail Carrier at Location:

Dates Problem Occurred:

Comments:

My wife and I are very concerned with this proposed sale. Increased rail traffic (28 trains a day vs. the 6 -8 currently) would impact the safety of our community. It would cut off and/or delay emergency help to our house. Being senior citizens emergency response time is very important to us. My wife and I are opposed to this sale. Thank you for taking the time to consider our thoughts.

Phil and Maryann Branshaw
