The Honorable Ann Begeman, Chairman
Surface Transportation Board
Attn: Docket No. EP 526 (Sub-No. 12)
395 E. Street SW
Washington DC 20423-0001

Dear Madam Chair Begeman:

I am writing to you today to support the appointment of Mr. Ben Abrams, President & CEO of Consolidated Scrap Resources, Inc. of York, Pennsylvania, to the vacancy on the Federal Rail Shipper Transportation Advisory Council (RSTAC), for a small shipper representative. I have known and dealt with Ben for many years. He is knowledgeable, professional and a man of honesty and integrity. Ben knows and understands the scrap metal recycling industry well, and has specific history, knowledge and experience with railroad transportation issues. Ben is an intent listener and a strategic thinker; he has a broad set of life and work experiences that will allow him to contribute greatly to this council. I highly encourage the nomination of Ben to this council.

Please feel free to reach out to me with any questions.

Very best regards,
