How will CN's proposed acquisition of the EJ&E impact you?

I am very concerned about the impact upon property values, traffic, and noise pollution. Our home has already been for sale for quite some time. It's already a depreciating housing market and this will make matters worse in our area. Also, unlike in the city we don't have many side street options for rerouting traffic (which is ALREADY a major problem in our area.) Finally, the railroad runs right behind our neighborhood. Right now our train traffic is VERY minimal so the noise isn't a problem. I CAN'T IMAGINE increasing the traffic in the amount proposed!!!

We moved to the suburbs to get away from the noise of the city and would be extremely upset if this goes through.

Signed
