Dear Ms. Rutson:

This letter is an urgent request to you for an extension from 90 days to 180 days of the STB Finance Docket No. 33407/ EIS Draft, DM and E Railroad project.

This project will profoundly effect the total environment in the City of Skyline, which very much needs protection, not only for ourselves but for our children.

As of this date, the homeowners in the City of Skyline have received confusing and inaccurate information (including conflicting maps of the area effected by the proposed railroad project) and very much need the time to carefully study the details of the proposal. I am sure you will understand our deep concern. We certainly will appreciate your prompt attention to this matter.

Respectfully,

Kathryn Doty,
Skyline Resident.
