RATE APPLICATION HIERARCHY

### **RATE APPLICATION HIERARCHY**

In the event this publication (or another publication) contains multiple rates that could apply on a particular Shipment, UP will apply rates using the following hierarchy:

1. Point-to-point rates (i.e., rates to and from particular rail stations)
2. Group-to-point rates or point-to-group rates (i.e., rates from a geographic area containing multiple rail stations to a particular rail station, or vice versa)
3. Group-to-group rates (i.e., rates to and from geographic areas containing multiple rail stations)
4. Mileage scale rates (i.e., rates calculated based on miles without regard to particular rail stations or geographic areas)
