re: Docket # FD35852 (rail line extension at Cape Canaveral, Florida)

Dear Ms. Rutson:

The Brevard County Historical Commission, an official advisory board to the Brevard County Commission, would like to be a Consulting Party to the Section 106 processes surrounding the proposed railway extension line under consideration by the Canaveral Port Authority and the Surface Transportation Board.

As the BCHC is in the process of changing their chairmanships, please direct all communications to our official archivist, Michael Boonstra, at the above address.

Thank you for your careful consideration of Brevard County's irreplaceable and rapidly dwindling cultural and historical resources. We look forward to working with you and your agency and all other parties interested in this project.

sincerely,

Alan Brech, Chairman, Brevard County Historical Commission
