Re: Docket No. AB 1316X
GNP RLY, Inc. – Abandonment Exemption – in King County, WA

Dear Ms. Brown:

Pursuant to 49 CFR § 1152.29(h), GNP RLY, Inc. (“GNP”) and the City of Woodinville, Washington (“the City”) hereby jointly notify the Board that they have entered into an interim trail use agreement covering a 2.58 mile segment of rail line proposed for abandonment in this docket (“the Line”). The railbanked segment of the Line is the same segment for which the City requested a notice of interim trail use, and described in the Decision and Notice of Interim Trail Use served on May 26, 2023. A map showing the railbanked segment of the Line is attached as Exhibit A to this notice. GNP intends to consummate the abandonment of the spur depicted on Exhibit A as the West Spur.

GNP and the City certify that their interim trail use agreement includes provisions requiring the City to fulfill the responsibilities described in 49 CFR 1152.29(a)(2).

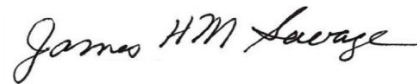

The filing of this notice has been authorized by GNP and the City. Please let us know if there are any questions regarding this filing.
