Hi, my name is Elsa Forrest Bonda, I'm calling on behalf of my family, Jose, Alicia, and Anthony Bonda. We live at 11512 Tea Tree Lane, in Frankfort IL. Our house is on the street that the train goes through in our back yard. We are very upset about the whole purchase which would be 30 more trains going through the back of the house daily. We are very upset about this whole deal because of the fact that we do have children, Chemicals coming through, traffic, hard to get to places, safety, the horns being blown out at all hours of the day and night. We really, really are very upset about this. We really do not want this deal to go through. We have purchased our home to stay here forever. We are very upset about it and we really don't want this to go through. Again my name is Elsa Forrest Bonda and I'm calling on behalf of my family.
