I live in Barrington Hills by Barrington Hills Country Club. It is already very difficult for me and my family to turn into Lake Cook Rd. from my driveway with traffic to the Barrington High School in the morning. I spend about 20 minutes just to get to Barrington High School. I can't imagine what is going to happen when there will be trains going through town at Main Street. It is going to be a nightmare in a sense of safety for high school kids and everybody around.

I don't want to pay for bypasses either. CN should do it.
