

Dear Phillis Johnson-Bell

As a resident of the
Frankfort Community we
are saying NO NO NO to
Canadian National.

Your past history is not
a good one, & we do not
trust you.

We do not need more
trains going through our
community - causing traffic
delays - loud noise - spills
vibration to our homes.

Our fire department &
police department will not
be able to reach people
in need. Our homes
will lose their value.
We don't need to pay more
taxes for grade crossings
& etc.

(over)

Life is tough enough
these days.

Please consider another
way to transport your
merchandise.

This is NOT a good
thing for Frankfort

Mr & Mrs Joe Gonzalez
