Ms. Cantwell -

Detailed mapping of the proposed rail line can be found on our project website. I have provided a link below. The map resources can be located by clicking on the "Maps" button in the left-hand column.

Dear sir

Can you please tell me in regards to the above mentioned rail line once it crosses I-65 where will it cut over to porter county? Will it go up clay street/range line road, 173 rd, 169th, ??? Also will you have to procure any land for mitigation? ??

Respectfully

Peggy Cantwell
