Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

Our business sits within the grid locked
area of Barrington that will be negatively
affected by the increased # of trucks on the
blocked roadways.
Why should our employees pay this
price so the CN can profit?
