Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I oppose the aquisition of EJ&E Railway by CN Railway for the following reasons:

(1) Increased traffic on 3 major road crossings - Lake Cook, Rt. 59 & Hwy. 14
(2) Safety at the highway crossings where our high school, park district headquarters & library are in close proximity
(3) Emergency vehicle traffic pattern impedement
(4) Noise pollution increase & vibration
(5) Potential increase ~~from~~ dangers from hazardous materials, vehical & pedestrian injury
(6) Devaluation of home & property due to ~~un~~detestable ~~aesthetic~~ aesthetic & logistic effects of dealing with extended frequent freight trains
(7) Question how this will benefit our countries economy more than foriegn counties (ie) Canada & China

YOUR INPUT IS IMPORTANT!
