

080215 Tivensky

My name is Gale Tivensky. My address is 31 W 665 Nancy Lane. That's the town of Wayne IL 60184. And as a property owner and resident of Wayne, I don't feel any good can come from this. I'm concerned about the vibrations from the added trains, the foundations of our homes, the added congestions at the crossings, the added noise, the added danger of derailments as toxic things are being hauled around, the difficulty of emergency vehicles to get through our village and the damage to aquifers as yards are built. All of us here have well water. And I guess that is the extent of my comments. Thank you very much.
