Re: Docket No FD-36935 BLPIRR LLC and
Docket NO FD-36936 Washington, Idaho & Montana Railway
LLC
Supplement to Notice of Exemption

Dear Ms. Brown:

BLPIRR LLLC and Washington, Idaho & Montana Railway LLC
supplement their recently filed Notice of Exemption in the
Dockets noted above.

The milage noted on the first page of the Notice of Exemption
between from a point off the P&L Branch to the Idaho State Line
is 3.27 miles.

In addition to the 3.27 miles there is additional milage which will
be operated from the Peterson House Track Switch along the
Peterson House Track and the Peterson Crossover. These
additional mileages are shown on Exhibit A to this letter along
with a map showing what will be operated.

Please also note that the Washington, Idaho & Montana Railway
will operate all of the trackage mentioned in this Notice of

Exemption including the milage to the Idaho state line, the Peterson House Track Switch, the Peterson House Track and the Peterson Crossover.

If you have any questions. Please contact me.

Sincerely.

John K. Fiorilla

Hey John,

here are the locations of said tracks and switches for the peterson house track.

Peterson house track switch - WIM MP 0.15

Peterson House Track - extends 2,075 feet to the north from house track switch (mp 0.15).

Peterson Crossover - on peterson house track. Aprox 950 feet from house track switch (mp 0.15)

Here is a map: Peterson house track listed as interchange track in this map.
