Yes, I hope I have the right place where I'm leaving this message. My name is Doreen Sa. My address is 1450 Saddle Ridge Place in Bartlett, 60103. And I haven't seen it written anywhere but I've looked at a couple of articles in the Examiner and I'm very concerned because a lot of the high school kids going from Bartlett to South Belgium have to travel on Monger Rd, Strung Rd, West Bartlett Rd and how is this going to impact them safety wise? And time wise? To have this increase of trains on those lines for our kids? I am very concerned and that was one of my biggest concerns. I'm going to try to call back and get those meeting dates and see if I can publicly bring this up. Because, like I said, I haven't seen it in the two articles unless I've missed it but there are quite a few of South Belgium's high school kids who live in Bartlett on this side and I'm really concerned like I said about the increase of trains and how it's going to affect them safety-wise especially. My number is 630-372-2404. Thank you very much.
