NOTICE TO THE PARTIES:

In the decision served by the Board on November 1, 2005, in this proceeding, the schedule for providing comments during the scoping process for the Environmental Impact Statement (EIS) contained an inadvertent error. The due date for filing comments on the draft Scope of Study for the EIS and potential environmental effects of the project was identified as January 13, 2005. The correct date is January 13, 2006. Please revise your copies accordingly. The decision otherwise remains unchanged.
