Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

My husband and I live with our 2 children in
Fox Point in Barrington, IL. We are totally against
this acquisition because of safety concerns
and concerns for our community.

At a time when our economy is already suffering
this would devastate so many cities + towns already
suffering.

- emergency services would be negatively impacted

- pollution

- why would we want to help China increase
profits by supporting NAFTA? Our economy +
country is already suffering from poor choices.

YOUR INPUT IS IMPORTANT!
