SURFACE TRANSPORTATION BOARD

DECISION

Docket No. EP 730 (Sub-No. 1)

ROSTER OF ARBITRATORS—ANNUAL UPDATE

Digest:¹ The Board revises its roster of arbitrators who are available to resolve rail rate and practice complaints through the Board's arbitration process.

Decided: February 12, 2020

The Board's regulations at 49 C.F.R. part 1108 establish a voluntary and binding arbitration process to resolve rail rate and practice complaints that are subject to the Board's jurisdiction. A panel of arbitrators (or, if the parties agree, a single arbitrator) shall be selected from a roster maintained by the Board. 49 C.F.R. § 1108.6(a). The Board's rules provide a process for maintaining the roster of arbitrators and provide that the roster will be updated every year. 49 C.F.R. § 1108.6(b).

To begin its annual update of the roster, by decision served December 9, 2019, the Board sought applications from all interested persons who wished to be considered for inclusion on the roster. The Board also requested that current arbitrators who wished to remain on the roster notify the Board of their continued availability and confirm that their biographical information on file with the Board remains accurate and, if not, provide any necessary updates. The Board received notifications of continued availability from 10 current arbitrators and one submission from a new applicant requesting to be added to the roster.²

The Board has assessed the applicant's qualifications in light of the criteria at 49 C.F.R. § 1108.6(b). Based on this assessment and a review of the notifications of continued availability, the Board adopts a revised roster adding the new applicant and, where appropriate, updating the existing arbitrators' biographical information. One arbitrator who did not notify the Board of his continued availability has been removed from the roster. The revised roster of arbitrators is appended to this decision.

¹ The digest constitutes no part of the decision of the Board but has been prepared for the convenience of the reader. It may not be cited to or relied upon as precedent. See Policy Statement on Plain Language Digests in Decisions, EP 696 (STB served Sept. 2, 2010).

² Two notifications were filed after the deadline, but because there is no indication that the late-filed notifications will prejudice any party, they will be accepted.

The roster will be published on the Board's website, pursuant to § 1108.6(b). The Board will continue to update the roster annually and may modify the roster at any time through a no-objection vote.

It is ordered:

1. The Board adopts the revised roster of arbitrators appended to this decision.
2. This decision is effective on the day of service.

By the Board, Board Members Begeman, Fuchs, and Oberman.
