Paul Wisner. 445 East Washington, Lombard IL 60148-2863. I was at the West Chicago meeting on the 17th. I asked a lot of questions and I never got any straight answers out of Canadian National. So, do I have to have in my complaints . . . my questions by the first? Or can I start them and keep adding? That is my question. 630-629-0859.
