

080123 Willingham

Hello, I'm calling in regards to the buyout of the Joliet tracks. My name is Benjamin Willingham and my address is 4115 Peak Circle, Naperville IL 60564 and I'm just concerned about how close these tracks are to my son's school as well as our housing development and I think it will cause a real harm and other problems to our community. So please take this into advisement because I was not aware of the Impact Study and how important for the meetings that you have been currently holding and would like more information to attend a public scoping meeting. Thank you.
