Message:

I live in the Braemar Subdivision on the corner of Ela & Cuba. We are near the E&J RR tracks which is under proposal to be purchased by the Canadian Nat'l Railway Co. This area is too conjested to have more trains go through then we already have. It is not safe because the only sidewalk giving access to any shopping is by the tracks and we don't need any more trains to increase accidents. There would also be too much noise.
