I urge you to please DENY the CN's acquisition of EJ&E.

My Plainfield home wits approximately 100 ft. from the EJ&E tracks. Needless to say, the noise & vibration levels of the "square wheeled" cars do not allow us to have a conversation outdoors, or worse, indoors. Very often we are awoken in the middle of the night to screeching wheels!

We used our life savings as a down payment to buy this house 14 years ago (only 4 trains daily in 1994). If you do not deny the CN purchase, our home will be worthless with the number of planned trains (maybe foreclosure is the only way out!).

The noise, vibration and pollution would be overwhelming and therefore, not able to ever be sold. This is our home in retirement and it breaks my heart to think the way things may work out.

We ask that you find it in your hearts to DENY CN's ACQUISITION of EJ&E.

I welcome any board member to visit our home and I guarantee that you will be convinced that DENYING CN's ACQUISITION is the right thing to do.
