Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8.27.08

Comments must be submitted by September 30, 2008.

I am totally against the CN railroads purchase of the EJ&E. I am worried about issues such as

The safety record of the CN currently. It travels so close to our only high school. Our school buses travel over 800 times a day over Lake Cook Rd. What about the after school activities and sporting events,

our businesses would be in jeopardy and our property values would definitely be deflated.

The traffic would be already escalated in an already bad situation of traffic.
