1 MS. LARKIN: Barbara Larkin,
2 B-A-R-B-A-R-A, Larkin, L-A-R-K-I-N.
3 I oppose this rail increase. I
4 oppose it for many reasons. One being safety of

5 our community and children. Secondly,
6 environmentally, I think it's disturbing with all
7 the pollutants that can possibly be going into the
8 groundwater that we drink.
9 we have well water systems here.
10 We do not get our water from the city. It's all
11 in the ground.
12 This cannot go through. This is
13 absurd. And I have to ask why, why do we have to
14 increase this.
15 It cannot go through. That's all I
16 have to say.
