**Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company**

STB Finance Docket No. 35087

Date: Aug 27, 2008

Comments must be submitted by September 30, 2008.

This acquisition and the increase in freight traffic would impact my family greatly.

We live in Deer Park, my husband has an office in downtown Barrington and our son boards a train in Barrington to attend school in downtown Chicago.

We're big users of the Cuba Marsh and are close (within several feet at times) to the EJ&E tracks much of the time we're on our hikes.

We have a well on our property, our only source of water in the area the shallow aquifer which could be disastrous if a spill were to occur.

On a recent day, I drove from where I was shopping at Home Depot to my husband's office and counted the times I crossed EJ&E tracks -- 5 times!!

The impact is grave for these and many other reasons.

YOUR INPUT IS IMPORTANT!
