Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

STB - It is important that you deny the purchase of
the EJ&E by Canadian National. The safety
of our children and families are at stake.

The school buses cross the tracks in Barrington
870 times a day! That is a mind boggling
statistic. Can you even begin to imagine the
disruption this would cause to an entire
Village. Please put a stop to CN now.
Our life is never worth the price that
this sale could cause! How many of our
children will have to cross the tracks to
beat the trains - don't cause our children
to risk their lives needlessly.

If you are a parent, you can easily understand
our concern - this purchase would close
down our Village. You cannot let this
happen.

Thank you for your consideration. I trust that
you will make the right decision.

Sincerely,
Lou O'Brien
