2 Barrington, Illinois. I feel the addition
3 of 20 plus railways a day would completely
4 put the town in a gridlock. I don't see
5 how this would be advantageous for children
6 coming to and from school and children
7 going to and from school and sports
8 activities, and I can only see that this
9 will bring down the quaintness and
10 loveliness of our Barrington town. I don't
11 know how to say that any other way.
