1 MS. NORTON: Simone, S-I-M-O-N-E,
2 Norton, N-O-R-T-O-N.
3 I am opposed to the CN acquisition.
4 I am concerned with safety for our children,

5 environmental hazards, emergency response vehicles
6 that would be to the area, the devalue of our
7 property, the loss of revenue in our community
8 based on the issues that can be caused by the
9 railroad delays and people being, we had a lot of
10 suicides with railroads in this community, I don't
11 know if you're familiar with it, and I am
12 concerned about some of those things coming to
13 pass for teenagers.

14 It just seems like the more trains,
15 the more access they have to doing something like
16 that. I'm just mainly concerned for the safety of
17 our kids basically. That's it.
