Re: Docket No. 526 (Sub-No. 10), Notice of Railroad-Shipper Transportation
Advisory Council Vacancies

Dear Ms. Brown:

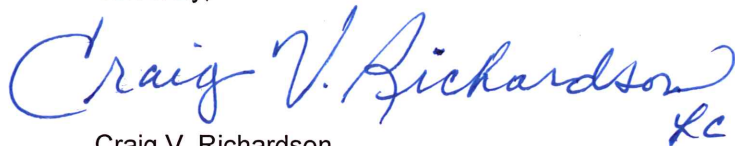

Union Pacific (UP) respectfully wishes to nominate Mr. Kenny Rocker, UP's Vice President, Marketing & Sales, Industrial, for a three-year term as a large railroad representative on the Railroad-Shipper Transportation Advisory Council (RSTAC).

Mr. Rocker has nearly 25 years' experience with UP. The portfolio of products under his supervision at UP includes construction, lumber and paper, metals and ores, specialized markets, industrial chemicals and soda ash. Mr. Rocker has held various positions during his career at UP, including assignments in Automotive, the Market Development & Sales Center, Chemicals, and most recently as Vice President and General Manager, Industrial Products.

As a representative of one of the large Class 1 railroads in the West, Mr. Rocker would provide RSTAC with a broad perspective and far-reaching knowledge on important trade and industry issues.

UP agrees to be responsible for Mr. Rocker's expenses incidental to service on the RSTAC, including any annual dues that RSTAC members agree to assess themselves to support RSTAC's work. Mr. Rocker is aware that RSTAC members receive no compensation for their service on RSTAC. Mr. Rocker may be reached at 402-544-3463.

Sincerely,

Craig V. Richardson.
