 Re: STB Docket 35087

Dear Mrs. Ball:

Thank you for this opportunity to address the CNV proposal. We have lived in Des Plaines for over forty years & have seen a very large increase in freight train traffic. What was merely bad before is now approaching impossible. Please address this proposal "fairly" - it is long past time for all to share the good and the bad that comes with rail traffic. Again, thank you for this opportunity to have input.

Sincerely,
 Allen Feltz
