Attn: David Navecky

Dear Mr. Navecky,

I am an owner of a small farm operation
at 6004 Milner Rd in Bradford Township in
the Clinton, Wisconsin area.

My land rolls downward to the Northern
edge of Turtle Creek. For twenty and more
years we have cooperated with the "Farmland
Preservation Agency" to maintain our land
without erosion. Tactics followed are

- ① maintenance of a grassed waterway,
- ② Grassed pasture-land on the highest portion
of the hill property
- ③ horizontal fencing and allowed trees along
the fencing to eliminate land movement
toward the Turtle Creek to the north.

Please help us maintain ownership
of our property so we may continue our
stewardship.
