Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

Increasing train traffic to the proposed degree would make it impossible to reach trains, schools, hospitals and emergency personnel. Already it is difficult to traverse Barrington at certain times. Motorists will get frustrated and ignore traffic signals resulting in accidents -

Metro rail traffic will be impacted putting more cars on the road
