815-485-3518. I oppose the CN acquisition of the EJ&E Railroad. I live in New Lenox and I think that this will impact our response times for police, fire, and medical emergencies and I have neighbors and friends that that would cause a hardship for, as well as the economic impact in the area, and rerouting of school busses. All of our new high schools and schools are on the southern end of the railway and the northern end is where most of the people will be going, so that's right in a big growth area of our town. So, I ademently oppose this acquisition. Thank you
