Re: Docket No. AB-364 (Sub-No. 12X), *Mid-Michigan Railroad, Inc. -
Abandonment Exemption in Kent and Ionia Counties, MI*

Dear Acting Secretary Quinlan:

Mid-Michigan Railroad, Inc. ("MMRR") notifies the Surface Transportation Board (the "Board") that as of June 11, 2008, it has discontinued service over the 15.83-mile rail line between southeast of Lowell, milepost 137.83, and east of Prairie Center, milepost 122.00, the end of the line, in Kent and Ionia Counties, MI (the "Line"). MMRR is not consummating the abandonment of the Line at this time because it must first comply with the historic conditions in the Board's decision of April 4, 2008, and because MMRR intends to sell the Line to the West Michigan Trails and Greenways Coalition pursuant to 16 U.S.C. §1247(d).

MMRR will notify the Board when it has complied with the historic conditions and request their removal. Once the historic conditions have been complied with and removed, MMRR will notify the Board of track removal and sale of the Line to WMTC for interim trail use/rail banking.

MMRR is e-filing this letter. Thank you for your assistance. If you have any questions please contact me.

Sincerely yours

Louis E. Gitomer
Attorney for, Mid-Michigan Railroad, Inc.
