Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

I am extremely concerned about the
CN train coming through my village!
I have lived in Barrington since 1967 and
cannot believe that this quiet village will
now be unsafe for our residents. With
4 intersections going thru here we cannot
help but have many many problems.

Our 94 square miles have so many
species of wild life that will be affected.

Our school buses will be at risk everyday.

Our school children will be at risk!

Our residents will not be able to enjoy our
small tranquil area anymore. Businesses
will not be able to survive.

This transaction is absolutely horrible!!!

YOUR INPUT IS IMPORTANT!
