I submitting this comment in order to record my family's firm opposition to the Canadian National's bid for ownership of the EJ&J RR. Our chief concerns pertain to safety of current crossings (RT 34, Hafenrichter and 111th st), the HUGE INCREASE in vibration and noise pollution in the surrounding area. Given the relatively few trains in the area in the current timeframe, it is still a noisy congested neighborhood bound to get SIGNIFICANTLY worse for us with the CN proposal. This is a bad deal for the Aurora, Oswego and Naperville area. Please do not go forward with this bid. It is unacceptable to the citizens in this area.
