2 The proposed railroad is one mile from my
3 home. We are concerned about our property
4 value. If the trains increase from 10 a
5 day to 31 a day, that's more than one an
6 hour. We will never be able to pass that
7 crossing. Our property values go down, and
8 we have a big issue with that being a quiet
9 zone, and at least the last three weeks it
10 has not been a quiet zone. We have been
11 hearing the horns 3:00 o'clock, 4:00
12 o'clock, all day long, and that is a big
13 concern if it goes 31 times a day. We are
14 against this, and we hope that it is not
15 passed.
