

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 27 AUGUST 08

LIVING IN THE VILLAGE MY PROPERTY
VALUES WILL GO DOWN. THERE ARE ONLY
3 ROUTES INTO & OUT OF BARRINGTON RT 59,
LAKE COOK RD & HWY. 14. ALL 3 WILL
BE TIED UP AT THE SAME TIME CAUSING
MASSIVE TRAFFIC JAMS MAKING IT VIRTUALLY
IMPOSSIBLE TO MOVE ANYWHERE IN BARRINGTON.
THESE TRAINS + COMMUTER TRAINS TRAFFIC
MOVEMENT WILL BE TIED UP ALL DAY & NIGHT.
THE NOISE ALL DAY & NIGHT WOULD BE
UNBEARABLE. IT IS ALMOST IMPOSSIBLE
TO GO THRU BARRINGTON NOW I CAN
IMAGINE WHAT IT WOULD DO HAVING
20 MORE TRAINS A DAY. WHO WOULD
WANT TO MOVE OR LIVE HERE I LET ALONG
BE ABLE TO ENJOY YOUR HOME.
