Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9-13-08

Comments must be submitted by September 30, 2008.

We support The Canadian National Acquisition of The E, J & E Railway Company. We support this for the safety of our village and there is a section of our town (South Holland) which is not accessible to emergency equipment when the trains are blocking several access streets at one time and for considerable amounts of time.

Also, it would be a great way to expedite the shipping of goods. I understand that at present there is a big loss of time getting into Chicago. It would be difficult for our roads to handle more trucks.

YOUR INPUT IS IMPORTANT!
