EI-23246

Deny the Great Lakes Basin Rail Road.

It will destroy 1000's of acres of farmland

It will destroy 100's of homes

It will negatively effect 1000's of people

It has the potential to pollute the area and
it's water with hazardous material spills.

The Farmers and landowners in the area do not
want this. Don't let some rich guy who
wants to play Railroad ruin our farms and homes.

Deny Frank Patton and Lee Hutchins Jr.

Reject the GLB Railroad

Thank you
