Comments

Ms. Chung -

You can file scoping comments on the EIS without being a POR. Those comments can be submitted through the "Environmental Comments" hyperlink on the STB's e-filing page, or they can be sent by regular mail to my address below.

You are correct, there are no formal filings or POC to date. If you have comments on the transportation merits and you want to file those as a POR, I don't have the answer for you on that. However, you can call the STB at 202-245-0350 and someone can assist you with those questions. That number is answered by a number of staff members so I can't give you a specific person to ask for.

Thanks,

Dave

Subject: WisDOT - GLBT

Mr. Navecky,

WisDOT will participate as a party of record in the GLB. I do not see any filings yet under FD35952, so didn't file a POR notice. I did sign up for "mailings" under the GLBT eis website.

Should I file a formal POR notice on STB docket, even though there are no other filings, or does that come later

after GLBT files petition?

Would we file scoping comments w/o filing POR then?

Thank you for any guidance.
