Re: Urgent Issues in Freight Rail Service—Railroad Reporting
STB Docket No. EP 770 (Sub-No. 1)

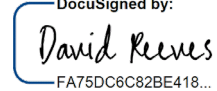

Dear Ms. Brown:

Pursuant to the orders of the Surface Transportation Board in the above-captioned proceeding served May 6, 2022 and October 28, 2022, The Kansas City Southern Railway Company submits its service data report for Week 13 of 2023.

Lines 19 through 24 have been left blank at this time due to a very narrow data error affecting assembly of car mileage data for the subject week. That error affects the weekly total car miles and average daily car miles normally reported in Lines 19 through 24. KCS continues to work to assemble the correct data for car mileages for this week's report.

If there are any questions concerning this report, please contact the undersigned.

Sincerely,
