Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

If this acquisition is approved - We all should be
ashamed of ourselves.

Private company with the power to destroy communities
including the following:

1. paralyzing emergency response
2. environmental & safety hazard — proven!
3. dangerous to the safety of citizens

This is just the beginning... If this acquisition is
approved this will cause deaths, bankruptcy and
environmental destruction.

This company (CN) is not honest, forthcoming,
thorough, safety-focused, collaborative or
cooperative.

Get the facts before you make your decision!

CN is only telling one-side of the story and they
don't care.
