

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9-1-08

I live in Frankford and we are trying to lose our Community, our home value, the major route to our nearest hospital and emergency services, environment, etc.

PLEASE, do not let Canadian National Railway
Come into our communities — they have caused so
much grief, heartach and time of the people
in the affected communities.

Please do not let this happen - HELP.
