Docket 35087

I am a resident of Aurora Illinois with children in School District 204. Not only do I have safety concerns for children within the school district which sale of EJ&J to Canadian Nat Railway, but I have concerns with my ability to cross area.

The railway effectively cuts the district in two causing increased safety issues for students and fire/police.

Furthermore, I am a General Surgeon who has trauma responsibilities in the district. As it stands now, if you are caught by a train, it takes a increased amount of time to reach the hospital and care for injured patients. With the sale and proposed increased traffic volume, I am concerned with a delay of myself or 3 other surgeons in Dreyer medical clinic being delayed at a crossing resulting in the death of a patient.

W. O'Brien, MD FACS
