Hello. My name is Kim Burns. I live at 3109 Laconia Lane, Aurora IL 60504. My phone number is 630-585-8735. I am calling to comment on STB finance docket #35087 which is about the CN purchasing the EJ&E Railroad. I am not in favor of this purchase. I do not want it to happen. It is going to increase trains from 15 to 45 per day which is going to cause problems in the emergency response time, being able to cross safely at railroad crossings, the increase noise and air pollution and not only that, it is going to be a danger to the children trying to get to school crossing those railroads. I do not want this to come through. I would like someone to help us and stop this. Again, my name is Kim Burns. My phone number is 630-585-8735 and I live in Aurora IL. I tried to post this electronically; it will not work is why I am doing this through the phone. Thank you. Goodbye.
